

3. DEFAULT: If Licensee shall fail to keep or perform or abide by any term, condition, covenant or agreement of this Agreement and such default shall continue for a period of two (2) days after written notice from Licensors to Licensee of such default, Licensors may immediately or at any time thereafter terminate this Agreement and the License hereby granted, and this Agreement and the license hereby granted shall be deemed to have been terminated upon the giving by Licensors to Licensee of written notice of such termination.

4. LICENSOR'S RIGHT OF PRIOR APPROVAL: Licensee shall make no alteration, addition to or improvement or install any equipment on said Premises without the prior written consent of Licensors and any request by Licensee of Licensors to make any such alteration, addition, improvement or installation shall in each instance be accompanied by plans and specifications therefor all in such reasonable detail as Licensors may require.

5. COSTS OF INSTALLATION AND LIENS. All alterations, additions, improvements, and installations made by Licensee pursuant to this Agreement shall be made at its sole cost and expense. Licensee agrees at all times to maintain all installations made by Licensee pursuant to this Agreement in good order and repair and in a safe and proper condition.

Licensee shall not suffer or permit any lien to be filed against the Premises by reason of work, labor, services or materials supplied or claimed to have been supplied to or for the benefit of Licensee and nothing in this Agreement contained shall be deemed or construed in any way as constituting the consent or

request of the Licensor, expressed or implied, by inference or otherwise, to any contractor, subcontractor, laborer or materialman for the performance of any labor or the furnishing of any materials that would give rise to the filing of any lien against the Premises. If any such lien shall at any time be filed against the Premises, Licensee shall cause such lien to be discharged of record within five (5) days after the date of the filing thereof.

6. INDEMNIFICATION OF LICENSOR: Licensee agrees to indemnify and defend Licensor and to save harmless Licensor, and the directors, officers, invitees, agents, servants, and employees of Licensor, their successors and assigns against and from any and all claims, damages, liabilities, costs, and expenses which Licensor or such other persons or parties may incur or be liable for, including attorney's fees, occurring on said Premises, or on, in or about adjoining buildings, streets, sidewalks or vaults, or in any way arising out of or related to this Agreement or any of the provisions thereof, occasioned in whole or part by any act or omission on the part of Licensee or any contractor, employee, agent, visitor, or assignee of Licensee, or by reason of any unlawful use of the rights granted hereunder or by reason of any breach, violation, or non-performance of any covenant in this Agreement on the part of Licensee to be observed or performed, and also by reason of any matter or thing growing out of the occupancy or use of said Premises or out of the erection, maintenance or use of equipment or other facilities on or about said Premises by Licensee or anyone holding or claiming to hold through or under Licensee.

7. RIGHT OF LICENSOR TO ENTER PREMISES: Licensor shall have at all times the right to enter the Premises and to inspect same.

8. RISK OF LOSS: All risk of loss or damage to all or any part of any equipment or other property installed pursuant to this Agreement shall be borne by Licensee. Licensee hereby releases and forever discharges Licensor of, and from, any and all liability for direct or consequential damage or injury that may be done to such equipment and facilities or Licensee's use thereof resulting from the use by Licensor of the Premises, as well as from all liability, loss or damage to which Licensee may be subjected by reason of the use, erection, or maintenance of such equipment and facilities.

9. INSURANCE AND INSURANCE RATES: Licensee shall carry fire and extended coverage insurance insuring its interest and Licensor's interest in equipment or improvements on the said Premises, the Premises, and its interest in equipment or other property erected, maintained or used under this License. Licensee shall also carry general public liability insurance naming Licensor as an additional insured thereunder, covering claims for personal injury or property damage, with such limits as may reasonably be requested by the Licensor from time to time, but not less than \$500,000/\$1,000,000 in respect to bodily injury and \$100,000 for property damage. All insurance coverage required to be carried by Licensee hereunder shall be written by such insurers as Licensor shall approve and shall provide for not less than thirty (30) days prior written notice to Licensor of any amendment, renewal, cancellation

or expiration of any such coverage. Licensee shall deliver evidence of such insurance coverage to Licensor, satisfactory to Licensor, upon the execution and delivery of this License Agreement. Licensee hereby waives any claim or right of action which it may have against Licensor for loss or damage coverable by such insurance and Licensee covenants and agrees that it will obtain a waiver from the carrier of such insurance releasing such carrier's subrogation rights as against Licensor.

Licensee shall not do or cause to be done or permit on the Premises anything illegal or deemed extra hazardous on account of fire or personal liability and Licensee shall not use the Premises in any manner which will cause an increase in the premium rate for any insurance in effect on the Premises or a part thereof. If, because of anything done, caused to be done, permitted or omitted by Licensee or its agents, servants or employees, the premium rate for any kind of insurance in effect on the Premises or any part thereof shall be raised, Licensee shall pay Licensor on demand the amount of any such increase in premium which Licensor shall pay for such insurance and if Licensor shall demand that Licensee remedy the condition which caused any such increase in insurance premium rate, Licensee shall remedy such condition within ten (10) days after receipt of such demand.

10. TERMINATION AND RESTORATION OF PROPERTY: On any termination of this License Agreement by either party or otherwise, or abandonment of the equipment and other property installed pursuant to this License, Licensee, at its own expense, shall remove such equipment and other property, and restore the Premises to the

condition that existed before installation of such equipment and other property.

11. COMPLIANCE BY LICENSEE WITH GOVERNMENTAL REGULATIONS:

In erecting, maintaining or using any equipment or other property installed on the Premises pursuant to this License and in the performance of any acts required of or permitted Licensee under any provision of this Agreement, Licensee shall obey and comply with all lawful requirements, rules, regulations, laws, and ordinances of all legally constituted authorities existing at any time during the continuance of such performance or during the term of this Agreement.

12. OWNERSHIP OF EQUIPMENT, ETC., TAXES: All equipment and other property erected by the Licensee on the Premises shall remain the personal property of the Licensee, regardless of the fact that such equipment or property may be attached to the Premises and shall be listed as such by the Licensee for the purpose of all ad valorem property taxes.

All ad valorem property taxes with respect to the Premises or any other taxes paid or to be paid by the Licensor as a result of the use of the Premises by Licensee or the erection, maintenance, and use of equipment pursuant to this Agreement shall be reimbursed by Licensee to Licensor immediately upon receipt by Licensee of written demand therefor from Licensor.

13. UTILITIES: It is expressly agreed that Licensor shall have no obligation or liability whatsoever to Licensee or any person or entity claiming through or under Licensee for any loss,

claim or damage arising out of any failure or stoppage of electrical power even if caused by Licensor's negligence and Licensee for itself and its successors and assigns hereby releases Licensor from any such obligation or liability. Licensee shall pay all charges for electricity and other utilities used, rendered or supplied in connection with the use by Licensee of the License granted hereby.

14. NOTICE: Any notice required by this Agreement shall be deemed to have been sufficiently given for all purposes when made in writing and sent in the United States mail as certified or registered mail, postage prepaid, and addressed:

(a) If to Licensor, to Trinity Broadcasting Network, Inc., P. O. Box C-11949, Santa Ana, California, or to such other places as Licensor shall from time to time designate in a notice to Licensee.

(b) If to Licensee, to Set Free Christian Fellowship, Inc., 320 North Anaheim Boulevard, Anaheim, California, or to such other places as Licensee shall from time to time designate in a notice to Licensor.

15. ASSIGNMENTS: Licensee shall not sell, rent, assign or in any manner purvey this License or any privilege granted hereunder.

16. INTEGRATION AND BINDING EFFECT: The entire agreement, intent, and understanding between the Licensor and Licensee is contained in the provisions of this License and any stipulations, representations, promises or agreements, written or oral, made prior to or contemporaneously with this License shall have no

legal or equitable effect or consequences unless reduced to writing herein. The terms "Licensor" and "Licensee" and all pronouns relating thereto shall be deemed to mean and include corporations, partnerships, and individuals as may fit the context and the masculine gender shall be deemed to include the feminine and the neuter and the singular number the plural.

This Agreement shall be governed by and construed pursuant to the laws of the State of California.

IN WITNESS WHEREOF, the parties hereto have duly executed this License Agreement as of the day and year first above written.

SPECIAL MEETING

OF

TRINITY BROADCASTING NETWORK, INC.

A special meeting of Trinity Broadcasting Network, Inc. was held on September 30, 1985 at the corporate office. All directors were present except for Jan Crouch, who was represented pursuant to a proxy from Paul F. Crouch. The meeting was also attended by Jane Duff and Phillip Crouch.

The board discussed an allocation of mission funds to Trinity Broadcasting of Ciskei for the construction of the station in South Africa. It was moved, seconded and passed that the President be authorized and empowered to disburse to Trinity Broadcasting of Ciskei the total sum of \$2,000,000 for the construction of the Ciskei station.

President Crouch noted that the government of Ciskei is deeding to the Ciskei station five (5) acres of real property on acres on Windy Ridge for the transmitter site, and two acres in the capitol city for the studio site. The properties are being deeded as a gift from the government.

The board then considered the possibility of classifying the network's affiliates into three separate classes.

After discussion it was resolved and passed that affiliated stations be classified as follows:

Class One: Stations with a full production studio providing network programming. Such stations will be directed by Station Managers.

Class Two: Stations with limited production facilities and no national program facilities. Such stations are directed by Operations Supervisors.

Class Three: Stations with no production facilities. Such stations are directed by Maintenance Supervisors.

The meeting then adjourned.

TRINITY BROADCASTING NETWORK

JANUARY 1986

## INDIANAPOLIS/BLOOMINGTON GRANTED!

What better way to start the NEW YEAR than with another **FULL POWER**, 5 million watt TV station? Praise the Lord! We had anticipated FCC action and hopefully approval for many, many months. Many of you remember in April of last year when a wonderful Christian group in Bloomington had presented the Construction Permit to TBN on a live PRAISE THE LORD program. They asked no money for their permit only that a few local Christian programs be allowed time on the new station. This we gladly agreed to do. But then an objection was filed. FCC action was of course delayed. But the delay was much longer than expected. We sent our FCC attorney again and again to inquire. No response from FCC. We prayed, we fasted and prayed. I remember just as we were about to begin our great week of PRAISE A THON in November. We called all our Prayer Partners and staff together for a day of prayer. We cried out to God for the release of **CHANNEL 42**. I remember as we prayed a beautiful release came within my spirit. Many of us felt it and began to praise the Lord for the victory! Beloved Partners, as God is my witness, we received the news the very next day from our FCC attorney! **Channel 42 GRANTED by the Federal Communications Commission, Washington, D.C.!** Bloomington/Indianapolis is YOURS! Another great metropolitan area, another state capitol, another great region of America covered with 24-hour, 100% Christian Television! Praise the Lord!

I think, once again, God is trying to impress upon us the absolute necessity of earnest intercessory prayer. *How many of you are only one day away from your miracle breakthrough* if only you would set everything else aside and spend a whole day in prayer? You may be only a few minutes from victory. Remember the strains of that precious old hymn:

*Oh, what peace we often forfeit, Oh what needless pain we bear, All because we do not carry... Everything to God in prayer.*

Beloved Partners—**call us!** The prayer lines are open every night on PTL! Jan and I with millions of you partners will join you and agree with you till your VICTORY COMES! Praise God—**PRAYER WORKS!** I do not yet fully understand the mystery of Prayer but I know that:

*The effectual fervent prayer of a righteous man avaieth much. (James 5:16)*

I remember when we could not get the license for Channel 21 in Phoenix. I remember when we could not get the FCC approval for the first satellite station. In both cases we came to a halt to everything and prayed with all our hearts to God! In both cases just as with Annapolis, we had our victory in just hours! Oh Partners, don't you see it? We are missing out on miracles, victories, breakthroughs without number! God says:

*And you will seek me and find me when you search for me with all your heart.*  
(Jeremiah 29:13)

Praise the Lord! Many victories are just ahead. With FCC approval we will soon have new stations in Albuquerque, Canton/Akron, and Greensboro/Winston Salem! Our sister stations' new towers are going up in Chicago, Tulsa, Kansas City and Birmingham! South Africa will be on the air this Spring! We wait for FCC approval for 26 low and medium power stations scattered all over the United States and are in negotiations for about 60 more! We could have those **100 STATIONS BEFORE 1986 IS OVER!!!** Praise the Lord!

Beloved Partners, Jan and I will never forget that your love, prayers, and gifts with God's power have made this great voice a reality. Together we really **ARE** changing our world! We love you more and more as we near our final goal. Could 1986 be **THE YEAR?** If not, let's keep building—if it is...we'll see you just inside the Eastern Gate!

*Paul*

## TBN AUDITED FINANCIAL STATEMENT OPEN

For over 12 years TBN has had a policy of making its financial statement a matter of public record. The Apostle Paul states that we Christians should:

*Provide those things which are open (honest) in the sight of all men. Romans 12:17.*

Each year a team of independent outside auditors are paid to examine all of the books and records of TBN. Each year they make specific recommendations on ways to streamline and improve the business operations of the entire TBN Network. TBN has and always will conduct its financial affairs in a business-like, God honoring manner, so you may give with confidence knowing that we are good stewards of God's resources.

## AN INSTRUMENT OF MINISTRY

As I was in the midst of praying about my own needs, and God was teaching me these things, I found myself caught up in ministry to others. I ministered to a precious family in which the wife and mother was killed in a car accident not far from our prayer retreat. God put me with the family in a hospital room, and I heard the beautiful salvation testimony of a college girl. I also heard testimonies from others in the family, including the husband, who survived the crash. Even then I was made more aware of the hurts of so many and began praying for you and all our friends.

Then I found myself ministering to a church that was desperately in need of a pastor and to a pastor who was hungry to find a people with a heart for God. Again, I was reminded to pray for you.

In the midst of my ministering to the needs of these others, God ministered to me. He began to speak to me, telling me to "fear not," to trust Him. . . .

"Remind the people of their **responsibility to give**," God said. Then He took me into His Word. In 1 Corinthians and 2 Corinthians, He showed me how Paul had dealt with a church so carnal and corrupt that he couldn't even talk to them as spiritual, because they were so hostile and divided (1 Cor. 3:1-3).

God said to me: "This is the spiritual condition most believers are in even today."

Because of their weak spiritual condition, Paul "**robbed other churches, taking wages from them to serve you**" (2 Cor. 11:8). He later asked their forgiveness for wronging them. ". . . I myself did not become a burden to you? Forgive me this wrong!" (2 Cor. 12:13). He

realized he should have taught them to give. He had already told them that "the workman is worthy of his hire." That those who preach the gospel should live of the gospel and, "one is not to muzzle the ox that is treading the grain" (1 Cor. 9:1-14).

### A Glorious Promise

To the corrupt church for which he HAD ROBBED OTHER CHURCHES, Paul issued a call for REPENTANCE. He also presented a challenge for them to BEAR THEIR OWN RESPONSIBILITY. Then he gave them a glorious promise.

When you sow bountifully, he told them, you will reap bountifully. When you give, not grudgingly or of necessity but out of a cheerful heart, God will bless you (2 Cor. 9:5-9).

That promise coincides with the one Jesus made in the Parable of the Sower, where the seed that falls on good ground brings forth fruit thirty, sixty, a hundredfold (Matt. 13:8). And also in Luke 16:38, "Give and it shall be given unto you." This is a promise.

God also made a glorious promise to the Philippian church, identified by Paul as the only one that communicated to his need. (Remember, this is Paul the Apostle, greatly anointed and doing the perfect will and work of God, and yet only one church kept sending him financial support.) After telling them that their FRUITFULNESS WAS FRUIT THAT ABOUNDED TO THEIR OWN ACCOUNT, God promised through Paul that he would supply all their needs, according to His riches in glory by Christ Jesus (Phil. 4:19).

That promise is precisely what God told me

to share with you. He said that, because I had ministered through faithful support, would meet all their needs. Notice He did say they would be made rich—but that He would meet their needs. Also notice that the promise was conditional. It was only to those who gave.

God then impressed on my heart, local Betty and the entire staff to begin praying every friend of this ministry, for all who responded to the commission we have been given to fulfill this heavenly restoration vision.

Our prayer is that God will meet your need according to His riches in glory, and that He bless you thirty, sixty, a hundredfold in every area of your life.

I have the promise of God in sacred Scripture and through His Spirit written in my heart that He is going to do exactly that.

DAYS OF RESTORATION MAGAZINE

TBN Programmer — JAMES ROBISON — received a beautiful message from the Lord about GIVING! I for the whole body of Christ. Receive what God is saying to our precious brother! It is to all of us.

## OUR LOVE GIFT TO YOU...

"How to Receive the Baptism of the Holy Spirit" is the exciting message of Dennis Bennett's new book. For years this subject has been the source of great confusion and division within the body of Christ. Satan has torn us apart in this area because he knows that the HOLY SPIRIT is the POWER part of the Trinity. And when we, the body of Jesus come together and agree on the Power of God, he is defeated and finished!

Please write for this new book today. It will change your life! Even if you are baptized with the Spirit, get this book and share it with others. It will bring us all into the fullness of the POWER of the HOLY SPIRIT!

Use the enclosed envelope to return your January pledge today. Your book will be sent by return mail. God bless you, Sam and I love you and need you NOW more than ever!

1986  
ANNUAL MEETING  
OF THE  
COMBINED BOARDS OF DIRECTORS  
OF  
TRINITY BROADCASTING NETWORK, INC.  
AND AFFILIATE CORPORATIONS

Pursuant to written notice duly given, a combined annual meeting of the Boards of Directors of Trinity Broadcasting Network, Inc., Trinity Broadcasting of Arizona, Inc., Trinity Broadcasting of Denver, Inc., Trinity Broadcasting of Washington, Trinity Broadcasting of Oklahoma City, Inc., Trinity Broadcasting of Florida, Inc., Trinity Broadcasting of Indiana, Inc., Trinity Broadcasting of New York, Inc., Translator T.V., Inc., Community Educational Television, Inc., Trinity Towers, Inc., Community Television of Texas, Inc., Trinity of Europe, Ltd., Trinity Broadcasting of Ciskei, and Trinity Broadcasting of Nevis, Ltd. was held on January 20, 1986 at Tustin, California.

Those present were John Benefiel, Sonny Arguinzoni, Carl McMillan, Jay Jones, Allan Brown, Campbell K. Thompson, Charles Quinn, Mary Laird, Stan Comstock, Paul Grey, John Des. Casoria, John Jacobson, Phillip Crouch, Paul F. Crouch, Norman G. Juggert, Jane Duff, Colby May, Sherman Waddle, Bob Fopma, Stan Hollon, Ben Miller, Herbert Key, Rich Bemiller, Larry Patton and Cliff Orndorff.

The Secretary noted that a quorum for each corporation was present and that notice had been duly given to all directors as required by the By-Laws of the respective corporations. In addition, Paul F. Crouch represented Janice W. Crouch pursuant to a written proxy.

The meeting opened with a consideration of Isaiah 42, a chapter that the Lord quickened to the ministry during its current period of rapid growth. In addition, those present considered Isaiah 49:18.

The President commented that while praying in 1975, the Lord revealed to him that He was raising up a new work in which He would be responsible for the results. God then began to establish His purpose. This ministry began after the President's efforts had failed.

After the 1975 revelation, representatives began to come to the President with opportunities for stations throughout the world. The resulting miracle should be compared favorably to miracles that are recorded in the Bible.

We need to always bear in mind that we are involved in His ministry. If that central fact is kept in mind, the ministry will prosper.

In Italy, Fred Ladenius is producing a daily program in Italian that is being broadcast over our three stations in Northern Italy and the Lugano area of Switzerland. We are investigating the possibility of a broadcast station in Milan.

A station in San Juan Puerto Rico is broadcasting our program under the supervision of Carlos Ortiz.

In South Africa a station is under construction. The President recently signed a construction contract for the new station. Construction was delayed until the government of South Africa was satisfied that our purposes were religious and not political.
